

Polyester spray overall white / Polyester spray overall blue

WSC-NSC

- Ultra-light economical polyester overall in 190gr material.
- Reusable and washable spray overall with hood.
- Standard colour: white.
- Also available in blue: for a minimal reflection in the lacquer.
- Polyester has the following advantages (compared to nylon): slows down fire and is therefore safer.
- Polyester 'breathes' and is therefore more comfortable to wear.
- Polyester is antistatic and therefore attracts less dust.
