

Sanding Discs – Yellow Paper – ø 150 mm – 7 holes

SPDH

High quality Hook & Loop Sanding Discs with 7 holes, ø 150 mm. 100 discs per box, 50 discs per box for P40 and P60. 6 + 1 holes.

Premium Sanding Discs for a paintable and even finish

These premium Hook & Loop Sanding Discs are prepared for strength and durability. They are ideal for dual action sanding machines. The open-coated aluminum abrasive deliver exceptional strength and durability. Can be used for the car body repair and marine industry for sanding paints, primers and putties. The 6 + 1 hole pattern creates a good dust extraction and provides a healthier work environment. Also suitable for metal, decoration and wood industry. The pad has a diameter of ø 150 mm, has 7 holes and comes in 11 grits.

Features / Benefits

- High quality: Creating a paintable and even finish
- Increases productivity: Aggressive cutting performance, work more efficient
- Resistant to clogging: Treated to prevent dust accumulation
- Less dust: The 6 + 1 hole pattern creates a good dust extraction and provides a healthier workspace
- Sharp and hard aluminum oxide grains: Especially prepared to provide fast cutting results with high removal rates
- Unique coatings technique: Prevents accumulation of particles into the abrasive, so it will last longer and gives a consistent high quality finish

Technical features

- Colour: Yellow
- Diameter: ø 150 mm
- Grain: Aluminum Oxide
- Backing: D-Paper / C-Paper
- Bonding: Resin over resin
- Coating: Semi-open
- Application on pad: Hook & loop
- Packaging: 100 discs per box. 50 discs per box for P40 and P60
