

Powerpeel

PWP 05T - 05W

- Easy peelable coating for the protection of spray booth walls against overspray
- Available in white and transparent
- Apply with a spray gun (3mm nozzle) in only 1 coat. (We suggest using our SPG 80+81)
- Bidon of 5L fits perfectly in SPG 80
- Water-based product
- Easy to remove with water when it's liquid
- When dried, powerpeel can't be removed with water. This makes it possible to apply a coating from our CBP (active for 10-12 weeks). When the CBP has dried up, peel both layers off at once
- Effortlessly protect your spray cabin walls with our peelable coating

| Code | Description | Box | Pal |
|---------|--------------------------|-----|-----|
| PWP 05T | Powerpeel transparent 5l | 1 | 96 |
| PWP 05W | Powerpeel white 5l | 1 | 96 |
